

looking for **highspeed** **internet** service?

... at Storm Internet we will earn your business every day.

Supporting the community and building broadband infrastructure since 1996, Storm Internet has connected more than 10,000 residential and corporate clients spanning more than 50 municipalities in Eastern Ontario.

We understand our success is a result of the commitment we make to our clients every day. Unlike other Internet companies, we do not try to bind you to long term contracts, full of confusing small print and additional service fees. Our prices are "hassle free" and carry the option of **NO LONG TERM CONTRACTS** - a demonstration of our ongoing commitment to earn your business every day.
